Ref: **Safety Information**

To Whom It May Concern:

PolyConversions, Inc. ("PolyCo") affirms and claims that the following materials and compounds are not used in the manufacture of PolyCo's **VR™** and **PolyWear™** labeled products:

PolyVinyl Chloride ("PVC")

Latex Rubber Allergens

Phthalate Plasticizers including Diethylhexylphthalate ("DEHP")

VR has been engineered and designed exclusively by PolyCo to replace protective apparel and garments made from PVC, Vinyl and other traditional impervious film materials that may contain chemical contaminants harmful to human health.

For more information concerning PolyCo's claims please contact: Scott Carlson, Sales Manager at (217) 893-3330, ext. 131 or via e-mail at ScottC@PolyCoUSA.com

Sincerely,

A handwritten signature in black ink, appearing to read "Ronald Neil Smith", is written over a light grey rectangular background.

Ronald Neil Smith
