

# SAFETY DATA SHEET: POLYWOG™ WIPES

Date issued: 04/05/2001

Date revised: 04/28/2020

## 1. Product Identification

---

Product Name: PolyWog™ Wipes.

Product Description: Pre-moistened 8"x12" towelettes

Product Code: 1593

Colors: White

## 2. Composition Information

---

Chemical Name: Specific chemical identity and/or percentage of composition has been withheld as a trade secret. Any concentration shown as a range is to protect confidentiality or is due to batch variation.

CAS Numbers: Proprietary

## 3. Hazards Identification

---

Health Hazards (acute and chronic): Not applicable

GHS-US: Not classified

GHS-US Labeling: No labeling applicable

Carcinogenicity: Not Applicable

Unknown Acute Toxicity: Not applicable

## 4. First Aid Measures

---

General: If person feels unwell, seek medical advice (show label where possible).

Inhalation: Remove person to fresh air.

Skin Contact: Immediately remove all contaminated clothing and wash before re-use. Rinse skin thoroughly with water.

Eye Contact: Remove contact lenses if present. Rinse with water for several minutes. If eye irritation persists, seek medical attention.

Ingestion: Rinse mouth with water. **Do not** induce vomiting.

General Symptoms: Not expected to present a significant hazard under anticipated conditions of normal use.

Inhalation Symptoms: None under normal use.

Skin Contact Symptoms: Contact during long period of use may cause slight irritation.

Eye Contact Symptoms: Direct contact with eyes is likely irritating.

Ingestion Symptoms: Gastrointestinal complaints.

---

## 5. Fire Fighting Methods

Extinguishing Media: All extinguishing media allowed.

Reactivity: Upon combustion CO and CO<sub>2</sub> are formed.

Firefighting Instructions: Exercise caution when fighting any chemical fire. Use water spray or fog for cooling exposed containers. Take account of environmentally hazardous runoff water.

Firefighters should be equipped with full protective gear including self-contained breathing apparatus.

Unusual Fire And Explosion Hazard: None

---

## 6. Accidental Release Measures

General Measures: Isolate from fire, if possible, without unnecessary risk.

Protective Equipment: Protective goggles. Gloves. Protective clothing.

Non-Emergency Procedures: Evacuate unnecessary personnel. Avoid contact with skin, eyes and clothing. Ventilate spillage area.

Emergency Procedures: Equip cleanup crew with proper protection. Stop leak if safe. Ventilate area.

Environment: Avoid release into environment. Prevent entry to sewers and public waters.

Containment: Contain released materials in suitable containers.

Cleanup: This material and its container must be disposed of safely, as per local, state and federal regulations.

---

## 7. Handling And Storage

Precautions: Comply with legal requirements. Do not handle until all safety precautions have been read and understood. Use personal protective equipment as required. Do not eat, drink or smoke when using this product. Do not get in eyes on skin or on clothing.

Hygiene: Wash thoroughly after handling. Wash contaminated clothing before reuse.

Storage:

Technical Measures: Comply with applicable regulations.

Storage Conditions: Keep container closed when not in use.

Incompatible Products: Oxidizing agents.

Incompatible Materials: Heat sources. Sources of ignition.

Storage Area Meet the legal requirements. Store in a cool, dry area.

Packaging: Meet the legal requirements.

---

## 8. Exposure Controls / Personal Protection

Control Parameters: No additional information available.

Personal Protection: Goggles, gloves, protective clothing as risk assessment indicates.

---

## 9. Physical And Chemical Properties

Physical State: Solid

Appearance: Pre-moistened wipe

Odor: Mild

Odor Threshold: No data available.

pH: 10–11

Specific Gravity / Density: 1 g/ml

Solubility: Liquid component is soluble in water.

VOC Content: <0.1%

## 10. Stability And Reactivity

---

Reactivity: Upon combustion, CO and CO<sub>2</sub> are formed.

Chemical Stability: Stable under normal conditions.

Possibility of Hazardous Reactions: Upon combustion, CO and CO<sub>2</sub> are formed.

Conditions To Avoid: No additional information available.

Incompatibility: No additional information available.

Hazardous Decomposition Products: Under normal conditions of storage and use, hazardous decomposition products should not be produced.

## 11. Toxicity Information

---

Acute Toxicity: Not classified.

Skin Corrosion / Irritation: Not classified. pH 10–11.

Serious Eye Irritation: Not classified. pH 10–11.

Germ Cell Mutagenicity: Not classified.

Carcinogenicity: Not classified.

Reproductive Toxicity: Not classified.

Specific Target Organ Toxicity (single exposure): Not classified.

Specific Target Organ Toxicity (repeated exposures): Not classified.

Aspiration Hazard: Not classified.

Symptoms / Injuries After Inhalation: None under normal use.

Symptoms / Injuries After Skin Contact: Long periods of contact may cause light irritation.

Symptoms / Injuries After Eye Contact: Direct contact with eyes is likely irritating.

Symptoms / Injuries After Ingestion: Gastrointestinal complaints.

Likely Routes of Exposure: Skin and eye contact.

## 12. Ecological Information

---

Toxicity: No additional information available.

Persistence and Degradability: No additional information available.

Bioaccumulative Potential: No additional information available.

## 13. Disposal Considerations

---

Waste Treatment Methods: Do not flush wipes.

Waste Disposal Method: Dispose per local, state, and federal regulations

## 14. Transport Information

---

DOT Regulations: Not regulated for transport.

ADR: No additional information available.

Transport by Sea: No additional information available.

Transport by Air: No additional information available.

## 15. Regulatory Information

---

All components of this product are listed, or excluded from listing, on the United State Environmental Protection Agency Toxic Substances Control Act (TSCA) inventory.

This product or mixture does not contain a toxic chemical or chemicals in excess of the applicable de minimis concentration as specified in 40 CFR §372.38(a) subject to the reporting requirements of section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 and 40 CFR Part 372.

California Prop 65: This product does not contain a substance (s) known to the state of California to cause cancer and/or reproductive toxicity.

## 16. Other Information

---

Training Advice: Normal use of this product shall imply use in accordance with the instructions provided on packaging.

NFPA Health Hazard: 0 — Exposure under fire conditions would offer no hazard beyond that of ordinary combustible materials.

NFPA Fire Hazard: 1 — Must be preheated before ignition can occur.

NFPA Reactivity: 0 — Normally stable, even under fire exposure conditions, and not reactive with water.

The information in this safety data sheet was compiled from sources we believe are accurate and reliable. However, regarding its correctness, this information is provided without any warranty, expressed, or implied.

It is the user's responsibility to determine the suitability of any material for a specific purpose and adopt such safety precautions as may be necessary.

We do not assume responsibility and expressly disclaim liability for loss, damage, or expense arising out of, or in any way connected with the handling, storage, use, or disposal of this product.
