

Donning

1. Unfold gown.

2. Ensure gown is at full length.

3. Place arms through sleeves. (Note: Ensure thumbs are inserted through thumb loops if using a thumb loop gown.)

4. Place head through neck opening.

5. Gown is ready to be tied in back. Put on gloves over sleeves for final step. (Note: Gloves are not supplied with gowns.)

Doffing

1. Remove head from neck opening.

2. Release gown ties around waist by untying from back.

3. Remove arms from sleeves and hands from gloves.

4. Gown and gloves are ready to be disposed of in an environmentally safe and appropriate manner.
